

DYLAN GORDON

Animator & Motion Designer

W: dylansanimationspace.com P: (706) 252-0060 E: dm.gordon.business@gmail.com L: www.linkedin.com/in/dylangordonm

Summary:

A 3D creative designer of 4 years focused on crafting engaging and visually compelling assets. I combine animation, design, and technical workflows to create polished, immersive visuals that elevate brands, games, and stories across cinematic and interactive media.

SKILLS:

- Adobe Creative Suite
- Autodesk Maya
- Blender
- Unreal Engine
- Graphic Design
- Animation
- 2D/3D Mockups
- Python 3
- Proactive
- Time Management
- Adaptive Mindset
- Team-Oriented

WORK EXPERIENCE:

Eleon Adventures - King Elton LLC | Rigger, Animation Lead, and QA May 2025 - Oct. 2025

Tools: Maya, Blender, Roblox Studios

- Crafted creature rigs as well as full documentation on how to easily implement between Maya and Roblox Studios
- Oversaw quality assurance of animations, rigs, models, and textures to maintain consistency and playability
- Directed character adjustments and final implementation for in-game publishing, coordinating fixes and smoothing assets across rigging and animation workflows

Cradle of Sins - U24 Solutions | Technical Rigging Artist Jul. 2024 - Oct. 2024

Tools: Maya, Unreal Engine 5, XGen/Groom, Python 3

- Directed the rigging pipeline for characters, creatures, and modular assets, ensuring consistency and usability across the dev team
- Established technical standards for deformation, modular skeletons, and customization systems, guiding other artists in implementing assets
- Partnered with designers and animators to align rigging solutions with gameplay and creative goals

OCCULT - Unhinged Media | Solo Freelance Animator Jan 2024 - Aug. 2024

Tools: Maya, Unreal Engine

- Animated and staged key cinematic sequences for a short 3D film, handling character motion and camera direction
- Contributed to visual storytelling and pacing, ensuring polished transitions and cohesive presentation
- Delivered animation-ready assets and collaborated closely with the director on scene timing and motion flow

EDUCATION:

B.S. In Digital Media 2019 - 2023
East Tennessee State University
